Club de Golf Montanyà Spanish no.1 in Golfers' Choice Awards for Price-Quality

It is with great pleasure that Leadingcourses.com announces that Club de Golf Montanyà tops the Golfers' Choice Ranking 2019 for the golf club with the Best Price-Quality in Spain. The rankings are based on the reviews of golfers, which makes it the only user generated golf course ranking in the world of golf.

[The Golfers' Choice Rankings](#) were first created six years ago when Leadingcourses.com felt they needed to give golfers a voice. Golfers are the ones that play the courses, so why shouldn't they be the ones to decide the rankings? As a rating is calculated from every review that is written on Leadingcourses.com it was a logical step to create a ranking of golf clubs, courses, price-quality and more based on the opinion of golfers, hence *The Golfers' Choice*.

Deserved 1st place for Montanyà

A rating of a golf club or golf course is closely related to the price of the paid green fee. Where do you get real value for your money? This is shown in the [Best Price-Quality ranking](#). This ranking is based solely on the rating of golfers for the price-quality ratio of a golf club.

When it comes to Price-Quality in Spain, there is no better than Club de Golf Montanyà. The course is located only 35 minutes from Barcelona and features an 18 hole course designed by David Thomas. The course used to be the home course of the late Johan Cruijff and the 14th hole (Cruijff's number) is dedicated to the Dutch maestro.

Leadingcourses.com users rate Club de Golf Montanyà with an 8.7, which makes it a top-10 club in Spain. The Price-Quality at Montanyà is rated with a magnificent 9.0, which makes then the well deserved winners of the Best Price-Quality Golfers' Choice Award.
